Dear John:

We wish to acknowledge receipt of your invoices numbered FW-24, FW-25, FW-27, FW-28 and FW-29; however, payment cannot be made on these invoices until there has been an Amendment executed to extend the period of performance of the contract to include the periods billed -- i.e., through 31 August 1959.

We have been advised by the Contracting Officer that this will be done in the near future; and at that time, said invoices will be paid promptly.

Very truly yours,

Doug
